ABOUT ME

I am a dedicated and enthusiastic BCA student with a strong foundation in web development, programming, and UI/UX design. I am passionate about creating user-friendly digital solutions. I am eager to apply my technical skills, continuously learn, and contribute to innovative software development projects.

EDUCATION

2023 - 2026

Bachelor of Computer Application

AVK College for Women,
Hassan University

CGPA : 8.98

2022 - 2023

PUC (science)

JSK PU College, Arsikere

Percentage: 83.66%

EXPERIENCE

2026

UI/UX Design Intern

BITSWIPER

- Designed user-friendly and visually appealing interface layouts.
- Created wireframes, prototypes, and design mockups using Figma.
- Collaborated with team members to improve user experience and interface design.
- Gained practical experience in design thinking, prototyping, and usability.

PROJECT

2026

AI-Based Sign Language Prediction System

- Developed a deep learning-based system to recognize sign language gestures in real time.
- Trained a Convolutional Neural Network (CNN) model to classify hand gestures with high accuracy.
- Built a user-friendly interface for real-time sign language prediction using a webcam.
- Improved communication accessibility by converting sign language gestures into text.

SKILLS

- Leadership
- Communication
- Inovation
- Problem Solving
- Teamwork
